Number of Positions:1

HOURS OF WORK:

The stated hours of work are approximate as schedules are subject to change with the operational needs of the Health Centre. Changes made to hours of work will follow the terms of the applicable collective agreement, company policy and/or legislation.

WHY WORK FOR US:

Peterborough Regional Health Centre (PRHC) is a state-of-the-art regional hospital with a proud local history extending back over a century. With a capacity of 494 beds, our regional hospital has one of the busiest Emergency Department in Ontario and offers an extensive range of services, including specialized programs in renal, stroke, cardiac, cancer care, and vascular surgery.

We wouldn't be the hospital we are today without the people and nothing is more important to us then our team of dedicated employees. At PRHC, we pride ourselves on creating and maintaining an environment where people are valued, recognized, and treated with respect.

We believe that the best way to support our patients is through our people. We do this by providing our employees with competitive and comprehensive benefit plans, a pension program with matching employer contribution, professional development opportunities, employee and family assistance program, health and wellness programs (gym and yoga memberships, annual wellness fair, travel discounts) and a learning fund for educational development. Exploring new positions, programs, or development initiatives is encouraged as it contributes to your personal and professional growth. PRHC supports and encourages you to pursue whatever path you choose.

WHAT YOU'LL DO:

The Physiotherapist provides consultation, assessment, intervention, and education regarding patients with physical dysfunction, in accordance with the guidelines of the College of Physiotherapists of Ontario and the Health Centre.

WHAT YOU'LL BRING:

- Completion of a university Master's degree in Physiotherapy from a recognized University or equivalent

- Licensed to practice with the College of Physiotherapists of Ontario
- Rostered Oxygen Titration and Suctioning preferred

WHO YOU ARE:

- Excellent organizational and time management skills
- Excellent verbal and written communication skills
- Excellent interpersonal skills and ability to work effectively with patients, families, other professionals and interdisciplinary team members
- Professionalism, independence and dedication to client centred practise
- Good decision making and deductive reasoning skills
- Demonstrated knowledge of technical and mechanical skills for operation of modalities and gym equipment

OUR COMMITMENT:

At PRHC, we take great pride in maintaining an inclusive culture of respect and a diverse workforce that reflects the community we serve. We do this because we understand that bringing different perspectives and backgrounds to the fulfillment of our mission, vision and values makes us better.

We welcome and encourage applications from members of all groups and backgrounds, especially those applicants who are members of groups that have been marginalized on any grounds enumerated under the Ontario Human Rights Code based on race, gender identity or expression, sex, sexual orientation, disability, political belief, religion, marital or family status, age, and/or status as a First Nations, Métis or Inuk/Inuit person.

Peterborough Regional Health Centre is committed to providing accessible employment practices that are in compliance with the Accessibility for Ontarians with Disabilities Act ('AODA'). Should any applicant require accommodation through the recruitment and selection process, please Notify us by indicating you require an accommodation in your application form. A representative from Human Resources will be in touch with you to tailor the recruitment process to meet your accommodation needs.

Thank you for your interest in the opportunity at PRHC. If you are selected to move forward in the recruitment process, you will be contacted by a member of the Talent Acquisition team.
