

# BIHC | Belleville Integrative Health Centre

WORKING TOGETHER FOR YOUR HEALTH

## NOW HIRING PHYSIOTHERAPISTS

Join our team at BIHC where we are “working together for your health”.

Belleville Integrative Health Centre - BIHC is a successful multidisciplinary facility looking to hire Full Time Registered Physiotherapists who are smart, forward-thinking, problem solvers who will help us improve the health and well-being of all our patients through an interdisciplinary team approach within our energetic clinic environment where successes are celebrated by all!

Physical Therapy is an integral part of our collaborative healthcare team which provides outstanding care to our patients.

Located in the Bay of Quinte region, Belleville Integrative Health Center is a young, dynamic, and energetic multi-disciplinary team who places high value on growth and development providing an array of healthcare services including;

- Physiotherapy
- Chiropractic
- Concussion management
- Pelvic floor physiotherapy
- Kinesiology
- Massage therapy
- Custom braces & orthotics
- Advanced rehabilitative/conditioning services

This opportunity is perfectly suited for Physiotherapists who love to work in a collaborative, creative environment and appreciate how we can work together to optimize the best care for the community, by utilizing various services within our facility.

We offer our Physiotherapists:

- Full reception and billing services; Support of online booking system – see your schedule getting filled from your phone!
- Comprehensive and competitive compensation package with percentage-based income
- Generous Professional Development and Education opportunities
- Opportunity to carve out and advance your career path
- Flexible and accommodating work schedules
- Signing Bonus

Required Competencies:

- Registered member (in good standing) with your provincial college.
- Effective at developing relationships with interdisciplinary clinic teams
- Focused on building self-efficacy, empowerment and instilling motivation in patients
- Comfortable working a combination of in-person and virtual care
- New Grads are welcome to apply

If you are looking to step into a busy and supportive clinic, where you can instantly excel as an integral part of a strong multi-disciplinary team, then this opportunity is for you!
