At Champlain Rehab Solutions (CRS) we love our work. We offer high-quality services in Ottawa and our work environment focuses on supporting clients, their families, and service providers through client-centred care, well-connected health-care teams and continual improvement. Our providers tell us: *"Home care is where I can truly make a difference. There is such a sense of accomplishment from helping people live independently at home."* Our teams work together to provide high quality, client-centred care to those who need it most in their homes, retirement homes and other community settings. Many of our team members manage their own schedules in the community and they say, *"The freedom and flexibility can't be beat."* Providers form meaningful bonds with the clients and families they serve over time and are supported by a diverse regional team and beneficial home office programs. Team members tell us *"I love the inclusive culture. I feel welcome and at home."* [View more comments from our clients and their family members.](#) VHA Home Healthcare
