

National Defence is looking for an OP-01 Physiotherapist at CFB Kingston for a one year Term! This is a great opportunity to get your foot in the door.

Are you a licenced physiotherapist looking to support active adults in a mixed orthopaedic-sports medicine environment? If you have recent experience in orthopaedic manual therapy, acupuncture, dry needling or intramuscular stimulation, we want to hear from you.

We are looking for a Physiotherapist with a degree from a recognized post-secondary institution with an acceptable specialization in physiotherapy and eligible for acceptable registration or for a license to practice as a professional physiotherapist in a province or territory of Canada. We are looking for recent experience in the physiotherapy management of an active adult outpatient population with mixed orthopaedic-sports medicine conditions. Experience in using objective measurement tools (e.g. equipment and questionnaires) to assess impairments, disabilities or functional performance and experience managing a full adult outpatient orthopaedic/musculoskeletal caseload, is also required.

The position is located at CFB Kingston. The annual salary is from \$84,105 to \$99,747 per year. You will be entitled to a pension, paid vacation and sick leave and other benefits.

If you are interested, at level or in a pool, send your resume to bonnielynn.burgess@forces.gc.ca
