Horizon Health Network offers opportunities to work in our hospitals or in community-based positions with our Addictions and Mental Health teams across New Brunswick.

These opportunities are **Permanent Full-time** positions and come with **Relocation Assistance**, and up to **\$10,000 Recruitment Incentive (depending on location)**. Written and verbal communication in English is essential.

QUALIFICATIONS:

- University degree in a related field.
- Must be registered and a member in good standing with the College of Physiotherapist of New Brunswick and eligible for membership in the Canadian Physiotherapy Association.
- Ability to attend work on a regular basis.
- Ability to perform the duties of the position.
- Good work record.
- Written and spoken competence in English is required.

KEY RESPONSIBILITIES:

The Physiotherapist is responsible for:

- Assessing, planning, and providing therapy to individuals and groups
- Maintaining clinical records and documentation
- Providing guidance and support to therapy assistants and other health care providers
- Participating in interdisciplinary care planning
- Preparing and presenting information and education sessions
- Providing mentoring and support for students
- Participating in developing, maintaining, and evaluating policies and procedures
- Participating in developing and sharing information related to clinical skill sets, best practices and clinical
