

Job Opening:

Clinic: Recharge Physiotherapy

Title: Full/Part-time Physiotherapist

Location: Bradford, ON

Website: www.rechargephysiotherapy.ca

As a Physiotherapist at Recharge Physiotherapy, your main role is to provide top-notch care to your patients. Utilizing your clinical expertise, judgment, and reasoning, you're tasked with offering personalized care and action plans geared towards enabling clients to maintain their lifestyle activities for longer periods.

About Us: Recharge Physiotherapy was established in 2020, opened our new physiotherapy clinic in Bradford this year. Our mission is to revolutionize the approach to body care, delivering a unique experience and standard of excellence.

Our treatment philosophy revolves around a holistic, one-on-one approach aimed at helping individuals. Our therapists employ their distinct skills to not only treat but also educate clients on injury prevention and resilience.

Your Responsibilities:

- Deliver exceptional care to every client in alignment with the Recharge Physiotherapy philosophy.
- Leverage your clinical expertise to craft tailored care plans that empower clients to pursue their passions with longevity.
- Thoroughly assess clients' symptoms, medical backgrounds, and objectives for treatment.
- Develop and communicate personalized treatment strategies for each client.
- Maintain accurate documentation of client conditions and progress as per charting standards. Leverage available technology to enhance client engagement and outcomes.
- Adhere to clinic protocols and workflows.
- Cultivate relationships with local referral sources to build your caseload.
- Participate in ongoing mentorship and professional development opportunities provided internally and externally.

- Collaborate regularly with other physiotherapist to assess support and training needs for your growth.

Who We Seek:

- Licensed and in good standing with the relevant professional regulatory body.
- Hold appropriate liability insurance.
- Value feedback and adapt client care and performance accordingly.
- Demonstrate a client-centric approach, including cross-referring when necessary and proactive client follow-up.
- Committed to personal and professional growth, actively seeking mentorship and learning opportunities.
- Team-oriented with a commitment to the overall clinic's development and culture Engage in clinic events and initiatives, mentor students, and support colleagues.
- Recognize the importance of goal-setting and actively participate in setting targets.
- Embrace collaboration with the Front of House team for seamless client experiences.
- Possess strong communication skills and prioritize positive customer interactions.

Role Details:

- Work-Life Balance.
- Competitive fee structure.
- Annual \$500 Continuing Education Reimbursement.
- Mentorship provided at the clinic.
