

Job description

Oak Physio & Wellness is a boutique multidisciplinary clinic located in a high-traffic area of North Oakville at Dundas and Trafalgar. We are looking to add an additional dedicated and motivated Physiotherapist to join our growing team. Our mission is to provide empathetic and effective care to our patients; empowering them with the knowledge and understanding of the human body, to help them become the best possible version that they can be.

Location: 295 Hays Blvd, Oakville

Schedule: Permanent full-time or part time

Why OAK Physio + Wellness:

- Competitive salary or percentage-based salary
- Annual continuing education allowance with a variety of internal training opportunities
- Collaborative, multidisciplinary work environment
- Virtual Care platform and E-charting software
- Pathways for clinical leadership
- A culture of recognition and appreciation with performance-based incentives
- Strong Social Media Marketing Emphasis – we want to feature your face out in the world to help as many people as possible!
- Investment in organic marketing (SEO, Google Ad, Facebook Ad etc.)
- Our administrative staff will handle the appointment bookings, rescheduling, cancellations and reminders to help you keep doing what you love the most – helping people!

Your Day-to-Day

- Creating and implementing individualized treatment plans based on analysis and clinical reasoning
- Utilizing e-charting software to document treatment sessions and recommendations
- Collaborating with the inter-professional team at your clinic
- Communicating with external stakeholders and client referral sources
- Managing caseload in a fast-paced environment
- The successful candidate will have the opportunity to develop and manage his/her own practice.

What You Bring to the Team:

- Registration (member in good standing) with the provincial College of Physiotherapists
- Experience treating clients in an outpatient setting (strong asset)
- Excellent interpersonal skills and the ability to work cooperatively with others
- Demonstrated commitment to post-graduate professional development
- Certifications in ART, Acupuncture and/or taping is an asset but not mandatory
- Work experience in pelvic floor treatment, or interest in woman's healthy is an asset but not mandatory
- Work experience in TMJ, vestibular, concussion and/or cancer rehab is an asset but not mandatory
- Knowledge and background in sports such as Golf, Tennis and Hockey is an asset but not mandatory
- New graduates welcome
