

Occupational Therapist - Pediatrics

Locations: Toronto, Full-Time

Monarch House is a child development centre providing seamless services to families impacted with Autism Spectrum Disorder and related developmental delays.

If you are passionate about helping children and youth communicate to the best of their ability and enhancing their relationships while maximizing their quality of life, this is your chance to work with an interdisciplinary team to reach your goals.

The health and safety of our staff is our #1 priority. As you care for others, Monarch House will care for you. Monarch House has safety measures in place to keep you, your family, and your clients safe. Our approach to virtual care incorporates the use of advanced, secure virtual technology, and a full-service client concierge, to deliver effective treatment where you can connect directly with your clients to assist in their care as well as facilitate consultations.

As an **Occupational Therapist (OT)** on our team you are responsible for developing programs that enable individuals to participate, to their fullest level, in activities that occupy their daily lives. Your client-base will consist of children with Autism Spectrum Disorder (ASD), as well as individuals of all other ages and needs.

Take an inside look at what you will do each day:

- Assess client needs and family priorities as part of an interdisciplinary team
- Complete assessments using tools such as standardized tests, criterion or curriculum referenced materials, or checklists
- Develop and implement a treatment plan for each client, based on assessment results
- Develop reports as required
- Consult to Behaviour Analysts who supervise Applied Behaviour Analysis Programs for Children with ASD and other needs
- Work collaboratively with the family and other community professionals
- Maintain knowledge in current evidence-based practices
- Collect data and make evidenced-based decisions in treatment
- Supervise students pursuing education in Occupational Therapy
- Represent OT department in Monarch House by contributing to clinical policies and procedures and other centre-wide visions

Here is what you will need to be successful:

- At least 1 years' experience working with children with ASD
- Master's Degree in Occupational Therapist (OT)
- Experience and familiarity with assessment tools (standardized tests, etc.)
- Knowledge of current research and literature in the Occupational Therapist (OT) field
- Member of ACOT & CAOT
- Strong interpersonal and communication skills

- Ability to take initiative
- Flexibility in scheduling clients

What Monarch House can offer to you!

We are proud of our friendly environment, supportive leadership and the knowledgeable team members who make it all possible. That is why we do everything we can to show our appreciation. Our training, mentoring and education programs will provide you with opportunities for continued learning – and support and guidance whenever you need it.

We are proud of our friendly environment, supportive leadership and the knowledgeable team members who make it all possible. That is why we do everything we can to show our appreciation. Our training, mentoring and education programs will provide you with opportunities for continued learning – and support and guidance whenever you need it.

- Opportunities for formal learning from other disciplines
- Opportunity to contribute to a larger team and gain experience working with other professionals
- Extended health benefits package available (if eligible)
- Salary to be determined based on qualifications and experience

We're committed to making a difference in people's lives – and that starts with yours. You'll enjoy a flexible schedule that allows you to achieve your goals at work and at home, with a balance of teamwork and independence. We have a team of Supervisors and motivated colleagues who are excited to meet and support you!

How to Apply

Please provide your resume and cover letter to jeffery.weir@monarchhouse.ca stating Occupational Therapist- Toronto in the subject line.

We thank all interested applicants, however, only those under consideration will be contacted.

About

Established in 2009 in British Columbia as an interdisciplinary treatment centre for individuals with autism spectrum disorder (ASD) and their families, Monarch House has now expanded its geographic network and services to include the full range of services for individuals with academic, behaviour, communication, learning, motor, physical, speech, social and vocational needs.

Monarch House is a dynamic team of professionals providing challenging career opportunities and fulfilling roles in British Columbia and Ontario. Our professional staff work collaboratively and/or individually with each client and specifically tailor services to their needs. Our services can be provided in our centres, at clients' homes and

schools, in the community, and in specialized housing settings. Working with the fields' thought leaders, we conduct our own research and are committed to continuous learning to provide the most effective treatments possible.

Monarch House is committed to providing a diverse, equitable, and inclusive workplace where everyone feels safe and accepted as their authentic selves. We actively seek qualified candidates who share our commitment to equity and inclusion and contribute to the diversification of ideas and perspectives that help us innovate and provide the best possible care to our clients.

We welcome applications from all individuals regardless of race, color, religion, gender, gender identity or expression, sexual orientation, national origin, genetics, disability, age, veteran status, or any other characteristics that make each of us different. Find out more at www.monarchhouse.ca/.
