

# **MOTION** *Plus* **PHYSIOTHERAPY**

## **Patient-Centered Physiotherapy Practice, Position Available in Guelph, Ontario**

We have a full-time position available effective January 3<sup>rd</sup>, 2023 for a Registered Physiotherapist with a strong interest in manual therapy, exercise prescription and patient education. The successful candidate must be patient focused and possess excellent communication skills. We can also accommodate candidates in search of part-time (24 hours/week) employment. All candidates must be able to work 2 evenings per week.

Motion Plus Physiotherapy is a Physiotherapist owned and operated private practice serving the Guelph area for over 25 years. We strive to foster a friendly work environment with a strong emphasis on teamwork and client centered care.

We offer:

- 60 minute assessments in private assessment rooms.
- Follow up appointment lengths of 20 or 40 minutes depending on the injury.
- Clinical mentorship program for newer graduates with senior therapists.
- A team of Physiotherapists with a wide variety of interests and pursuits with respect to continuing education such as manual therapy, the McKenzie approach, functional exercise, neurorehabilitation and concussion.
- Regular in-clinic education sessions and clinic collaboration meetings.
- \$1000 education allowance (based on 1 FTE).
- Competitive compensation based on experience.
- Full administrative support. Our dynamic front desk team manages appointment booking, invoicing, electronic claim submission and payment collection.
- Electronic record keeping using Practice Perfect EMR. Exercise prescription using Physiotec which is integrated with EMR software.
- Laptop provided for in-clinic use.

Guelph is a vibrant and picturesque community with a population of 135,000. We have all the conveniences of a larger city but still maintain that small town feel. Our clients are highly motivated, and we have a strong repeat customer base. Our treatment team consists of Registered Physiotherapists with both orthopedic and neurological expertise, Registered Massage Therapists, a Registered Kinesiologist, and Administrative Support. We have 3,400+ square feet of space with an accessible layout that caters to our varied patient population. Check out our team and facility at [www.motionplusphysio.com](http://www.motionplusphysio.com).

Both experienced Physiotherapists and new graduates are welcome to apply. Applicants should be licensed and in good standing with the College of Physiotherapists of Ontario.

Reach out to us if you:

- Are interested in working in a patient centered environment.

- Want to be part of a friendly, dynamic team with a focus on positive outcomes, ongoing learning and forming genuine friendships.
- Appreciate a balanced lifestyle – our therapists work 2 evenings per week and we are closed on weekends.

Interested applicants should forward their cover letter and resume via email to:
