

JOB DESCRIPTION

ESMC is seeking an Registered Physiotherapist to work Part-time hours, leading into full-time. This position is available due to the relocation of an experienced therapist, offering a unique opportunity to take over an established practice.

REQUIREMENTS

- Registered Physiotherapy license through the College of Physiotherapists of Ontario
- Strong orthopaedic assessment skills.
- Strong knowledge in strength and conditioning.
- Proficiency in soft tissue and manual therapy techniques.
- Experience in exercise prescription.

COMPENSATION STRUCTURE

Initial Period (First 4 Months): based on practitioner experience and knowledge. Options: fee for service split, hourly, hybrid.

Current Treatment Days and Hours: 3 days out of Mon-Fri 9-7
Saturdays: an option

Elite Sports Medicine and Conditioning is located in a 7000 sq/ft facility that contains a full strength and conditioning Gym. We are a movement based philosophy clinic that focusses on keeping athletes and active people moving, while rehabbing their injuries. You will be part of a supportive multidisciplinary team that includes physiotherapists, RMTs, strength and conditioning coaches and nutritionists. A collaborative and team-oriented attitude is essential for success in this role.
