

PHYSIOTHERAPIST CAREERS

You will play a crucial part in providing assessment, treatment planning and implementation, program planning, consultation, equipment prescription and education to patients, residents, clients, and/or their caregivers. Operating within a client-centered approach and as an essential member of our interdisciplinary team, you make a substantial contribution to promote functional independence and enable patients/residents/clients to achieve and maintain optimal health outcomes.

OUR REGION

Nestled in the scenic **southern interior of British Columbia**, our communities seamlessly blend the serenity of nature with vibrant urban amenities. Residents enjoy a year-round outdoor paradise amid stunning landscapes, complemented by a lively arts scene, a focus on well-being, and a strong sense of community spirit.
