

Join Outpatient Rehabilitation Services Team!

Health Sciences North (HSN) is seeking an innovative individual for the position of Physiotherapist in Outpatient Rehabilitation Programs to provide evidence based rehabilitation, working to ensure maximum independence for those challenged by and/or recovering from an illness or injury. The successful incumbent will perform detailed, comprehensive medical history and physical assessment of patients, to establish a clinical impression for physiotherapy intervention.

The ideal candidate will have a minimum of a Current Certificate of Registration in good standing with the College of Physiotherapist of Ontario. **However, candidates expected to obtain registration in the next few months and recent graduates are strongly encouraged to apply.** We are looking for someone with a minimum of six (6) months' orthopedic experience in evidence-based approach to service delivery.

DEPARTMENT OVERVIEW

Our multidisciplinary team of rehabilitation professionals are dedicated to providing Outpatient Rehabilitation within a variety of services such as Assistive Communication Clinic, Hand & Upper Limb Rehabilitation, Outpatient Physiotherapy, Rehab Engineering (Prosthetics & Orthotics) as well as a Seating & Mobility Clinic.

If you enjoy working in a fast-paced, team environment and are looking for a rewarding career opportunity, you are encouraged to view the full job description on the HSN Careers Website

HSN INCENTIVES

We offer a competitive salary and vacation, extended health and dental benefits, and relocation allowance to assist with moving expenses. **In addition, there may be additional monetary incentives available upon hire.**

We are proud to participate in the [Healthcare of Ontario Pension Plan \(HOOPP\)](#), offering our valued employees the security and peace of mind that comes with a defined benefit pension plan. We understand the importance of financial well-being and believe that a strong pension, like HOOPP, recognizes our employees and provides a stable foundation for their future as part of the overall compensation package. HOOPP is also a multi-employer pension plan, meaning it can be transferred between many organizations in the province. Join us and start building a future you can look forward to. For every dollar an employee contributes to HOOPP, the employer (HSN) contributes \$1.26, meaning the plan is 55% funded by the employer, and 45% funded by the employee. **All employees are eligible to join immediately upon hire.**

HSN provides support through our Employee and Family Assistance Program (EFAP), which is available for all HSN staff and family members regardless of status, position, affiliation, etc.

REHABILITATION PROFESSIONALS INCENTIVE GRANT

The incentive grant program offers taxable incentive grants of up to \$5,000 per eligible year, to a maximum of \$15,000 paid over a three-year period to audiologists, chiropractors, occupational therapists, physiotherapists and speech language pathologists who establish their practice in Northern Ontario and accept full-time positions which are fully funded by the Ministry of Health and Long-Term Care (MOHLTC) and which are approved by the Northern Health Programs (NHP). In order to be eligible for this incentive grant, the NHP must approve the application before the applicant establishes his/her practice.
