Why join the Physiotherapy Alliance team?

Physiotherapy Alliance is a group of physiotherapist owned and operated clinics, with 7 clinic locations in Southwestern Ontario. We understand that individual clinicians have diverse needs, and we work hard to ensure that Physiotherapy Alliance is a rewarding, supportive and enjoyable workplace for our team.

Facilitating lifelong learning is important to us and evidence informed treatment is a core value. Learning opportunities include: continuing education courses, mentorship, clinical skills sessions, case based discussion groups, and student placements. We are committed to providing support to help you thrive as a clinician. Mentoring is offered in manual therapy, acupuncture, intramuscular dry needling, concussion assessment and management, and vestibular dysfunction. Clinic owner Heather Gillis is a professor in both the MSc and MCISC programs at the University of Western Ontario and is an instructor and examiner within the Orthopaedic Division of the Canadian Physiotherapy Association.

Physiotherapy Alliance is dedicated to providing excellent care to the communities we serve. Our clinicians are actively involved in the community with the Stratford Festival, local sports teams and charitable activities.

Our facilities offer a modern, spacious, and well-equipped treatment environment with private treatment rooms. Gym space includes weight and cardiovascular exercise equipment. Administrative support and physiotherapy assistants are available to help optimize your time. Our clinic offers a strong referral base, diverse caseload, and an excellent location within a growing market. Our associates have independent control over caseload bookings.

We are looking for an enthusiastic clinician with a strong interest in clinical skill development to join our team. Upcoming graduates are welcome to apply. Candidates must be eligible to register with the College of Physiotherapists of Ontario. We have a highly competitive compensation package with a generous signing bonus and funding for post-graduate education.

If you are interested in joining the Physiotherapy Alliance team, please forward your cover letter and resume to stratford@physiotherapyalliance.com.
