

**HIRING**

**FULL-TIME**

## **PHYSIOTHERAPIST**

**Since 2009, we have worked to become a very well established physiotherapy clinic in Ottawa.**

We are looking to grow our team and are seeking a new graduate or experienced physiotherapist for full-time or part-time work. In our out-patient clinic, you will have the opportunity to create your own schedule that fits your personal needs. You will be surrounded by a team that thrives on helping people feel their best and who are eager to share their TMJD (temporomandibular joint dysfunction) knowledge.

Although our primary focus is TMD, we have a holistic philosophy to evaluate the entire body as a whole and determine the primary cause of the impairment. We are committed to providing you mentorship and an opportunity for ongoing education. We are a fully hands-on clinic practicing in a one-on-one client care environment. So if you are curious in nature, motivated, eager to learn new skills and be in good standing with the CPO, this place is for you!

**Please direct your resume to Daniel Gagné at**
