

REGENERATIVE HEALTH
Sports Medicine & Rehabilitation Inc.

Registered Physiotherapist Job Description

Department: Rehabilitation Team

OVERVIEW:

To provide physiotherapy services in a sport medicine setting. Must possess the ability to assess patients and carry out individually designed treatment programs to maintain, improve, or restore physical function in patients. Our ideal candidate requires experience and/or interest in sports medicine, musculoskeletal rehabilitation, and a strong manual therapy skill set. They must have the ability to collaborate with our team of health care practitioners in the best interest of the patient.

JOB REQUIREMENTS:

Education

- Post-secondary degree from an accredited physical therapy program or equivalent education as recognized by the College of Physiotherapists of Ontario
- License to practice by the College of Physiotherapists of Ontario
- Current registration in good standing with the College of Physiotherapists of Ontario

Knowledge/Experience

- Minimum 1 year experience (preferred) as a registered physiotherapist with a keen interest and/or experience in sports medicine and musculoskeletal rehabilitation.
- Manual therapy focused practice style.
- Commitment to continuing education.

Skills

- Strong ability to work independently and as a member of an interdisciplinary team.
- Effective listening, observation, and facilitation skills to effectively assess clients and provide appropriate treatment and consultation.
- A broad range of experience and skills to match our existing services plus a potential of expanded services.
- Demonstrate care and safety of patients prior to, during, and following treatment.
- Demonstrate understanding and record of providing an excellent patient experience
- Demonstrate professional judgement and interpersonal skills in dealing with patients, their families, other health care team members and the community.
- A proven track record of sound clinical decision making.
- Excellent prioritization, time-management, and work-flow skills.
- Excellent communication skills, both verbal and written.
- Strong self-awareness, self-management, social awareness, and relationship management skills.

REGENERATIVE HEALTH
Sports Medicine & Rehabilitation Inc.

- A proven track record of maintaining privacy and confidentiality in the workplace.

DUTIES AND RESPONSIBILITIES

- Assessment of injuries, development of a treatment plan and communicating a reasonable prognosis.
- Establish treatment goals with patients based on diagnoses.
- Develop and implement physiotherapy treatment plans including manual therapy, shockwave therapy, electrotherapy, education, exercises, and other modalities.
- Evaluate effectiveness of treatment plans and modify accordingly.
- Provide advice on exercise and strategies to implement at home to enhance and or maintain treatment.
- Communicate with referring physician and other health care professionals regarding patient's progress.
- Maintain clinical records and confer with other health care professionals.

WE PROVIDE

- Diverse patient-based care.
- A positive and challenging environment focusing on musculoskeletal medicine.
- Mentorship/shadowing opportunities with experienced practitioners.

COMPENSATION

- Starting Pay: Determined by experience. Ranging from 50-60% billings.
- Payment Structure: Monthly/biweekly payments via direct deposit.
- Work Hours: 9:00am to 5:00pm
- Location: 2265 Upper Middle Road East, Suite 101, Oakville, ON

Start Date: Flexible, ASAP – Part- and full-time hours available.
