

THE **RIGHTMOVE**  
PHYSIOTHERAPY & HEALTH MANAGEMENT INC.

# WE'RE HIRING!

**We are looking for a Registered Physiotherapist to join our growing team**

## **Company Overview**

The Right Move Physiotherapy is an outpatient private practice in Kingston, Ontario. Our clinic employs a modern approach to treating orthopaedic and neuromusculoskeletal conditions. We are looking to add a motivated PT to our dynamic team with an opportunity for mentorship from experienced physiotherapists specializing in dry needling, manual therapy, strength and conditioning, shockwave therapy, and concussions.

## **Position Description**

The caseload is primarily orthopedic/neuromusculoskeletal with mentorship from experienced physiotherapists specializing in dry needling, shockwave therapy, manual therapy, concussion management, blood flow restriction and active rehabilitation.

Strong communication, interpersonal skills, and goal-oriented candidates are an asset.

## **What We Offer**

Flexible, Part Time hours (Tuesday, Thursday, and Friday) to start with a caseload that would likely grow to full time hours. A large active rehabilitation space as well as state of the art modalities will be accessible for work with all your clients. Competitive compensation with access to a fully stocked gym space.

## **How to Apply**

Email resume/cover letter to our clinic owner directly [ian@rightmovept.com](mailto:ian@rightmovept.com) if you'd like to join our dynamic team today!
