

**Physiotherapist – Full time caseload available; permanent position**

Are you ready to join us?!

STRIVE Sport & Exercise Medicine is a unique multidisciplinary clinic in south Barrie. We have three onsite Sport and Exercise Medicine physicians, visiting Orthopedic Surgeon and Physical Medicine and Rehabilitation specialists, two physiotherapists, a chiropractor, and two registered massage therapists. Our goal is to promote exercise as medicine and to provide active rehabilitation through one-on-one treatment of sport and exercise-related injuries. We treat active people of all ages and at all levels of ability.

We are searching for the next physiotherapist to join our team. A full case load is available immediately. Structured mentorship is available from a manual therapy and exercised-based physiotherapist with over 20 years of experience. There are several opportunities to grow into a leadership role within our team.

Applicants must be registered, in good standing, with the College of Physiotherapists of Ontario and have malpractice insurance. New grads are welcome to apply.

Our clinic culture focuses on shared patient care; leaning on and learning from each other's expertise. Team rounds happen monthly. We are an active group that promotes physical activity, and we practice what we preach on the golf course, the roads, the trails, the ice, and beyond.

Applicants can forward a cover letter and resume to [admin@strivesportmed.ca](mailto:admin@strivesportmed.ca)
