

# We're hiring new grad Physiotherapists

At Vancouver Coastal Health (VCH), we have dynamic work opportunities for physiotherapists to work on interdisciplinary teams across various practice areas and specialty units.

## New Grad Program

VCH is pleased to offer new graduate physiotherapists support and learning opportunities to enhance their confidence and competence as they transition to independent practice.

The program will include up to 400 supernumerary hours and the option to rotate to multiple areas tailored to individual learning needs along with a gradual increase in caseload. New grads will also have access to the new grad educator in addition to the entire practice team, including clinical resource therapists in the areas of neurology, senior's health, musculoskeletal and cardiorespiratory, practice coordinators and practice leader.

## We have rotational opportunities available at:

- Vancouver General & UBC Hospital
- Lions Gate Hospital
- Richmond Hospital
