Apply online at www.vha.ca/careers

VHA Home HealthCare (VHA) is one of the largest not-for-profit home care providers in Ontario. Our team is made up of close to 3,000 caring and committed professionals who love what they do. Our providers tell us: *"Home care is where I can truly make a difference. There is such a sense of accomplishment from helping people live independently at home."* Our teams work together to provide high quality, client-centred care to those who need it most in their homes, schools, retirement homes and other community settings. Many of our team members manage their own schedules in the community and they say, *"The freedom and flexibility can't be beat."* Providers form meaningful bonds with the clients and families they serve over time and are supported by a diverse regional team and beneficial home office programs. Team members tell us *"I love the inclusive culture. I feel welcome and at home."* [View more comments from VHA clients and their family members.](#)

We are currently seeking: Occupational Therapists in various areas of GTA

What will be your role?

As an Occupational Therapist at VHA, you will be assessing and providing consultation, recommendations and interventions to adults, geriatric and/or paediatric group of clients in their homes using evidence-based best practice. You will ensure coordinated delivery of care through ongoing communication with the client care team regarding plans and schedules for interventions, problem solve in collaboration with the client and care team to create opportunities for more independence and promote VHA's core beliefs and values.

What makes VHA's compensation unique?
