★ Ready to Be Part of Something Special?

Real Connections, Genuine Fun

At Kent Chiro-Med, we're more than just colleagues. We're friends who share laughs, plan spontaneous lunch outings, and celebrate the big and small moments. We value togetherness, and it shows in our vibrant work atmosphere.

Making a Difference, One Patient at a Time

We're in this for the smiles, the thank-you's, and the life-changing treatments. Profit isn't our main driver; genuine patient care is. We guarantee that every day, you'll feel the difference you're making in someone's life.

Fair & Flexible Compensation

Your hard work and dedication deserve recognition. Let's talk numbers and find a package reflecting your experience and skills. Plus, enjoy commissions on select products and potential support for your educational ventures.

Job Description

- Assess patients of all ages presenting with musculoskeletal conditions
- Diagnose and develop a plan of management
- Educate and treat physical problem(s)/condition(s) with a hands-on approach and treatment programs that encourage exercise and movement
- Initial Assessments are 60 minutes, with subsequent treatments being 30 minutes
- Collaborate with other members of the health care team and build working relationships with other healthcare professionals
- Keep up to date with new techniques and technologies available for treating patients
- Professional development days will be provided and support to expand education will also be provided on a case by case basis
- Maintain current accurate clinical records according to standards set by the College of Physiotherapists of Ontario.
- Training on online charting software will be provided
- Days and hours are negotiable, but is for a 30 – 40 hours permanent position.
- Clients are encouraged to wear a mask and must wash their hands as soon as they enter the clinic. Waiting rooms are limited to a maximum of 5 persons, and patients are asked to confirm that they have not been in contact with any suspected cases of COVID-19 or have any symptoms of COVID-19 before every appointment.

Requirements / Preferred Qualifications

- New graduates and Physiotherapy Residents are encouraged to apply
- A current licensed Physiotherapist, Physiotherapy Resident, or Physiotherapy Graduate.
