Applications are invited for a two-year full-time Term Adjunct with benefits position in the Occupational Therapy Program starting August 1, 2024, to August 31, 2026, with 100% of responsibility in OT 846, OT 847 and OT 877, Occupational Therapy Fieldwork I, II and III. This position combines our three clinically-oriented fieldwork courses, which, although they are individually organized and graded, are intricately related and fully integrated with the academic curriculum. The expected enrolment is 70 students including the international students supported by the Mastercard Foundation who will complete their fieldwork internationally.

The successful candidate will have a Master’s degree in occupational therapy, registration with the College of Occupational Therapists of Ontario, and at least three years of experience as a clinical instructor/preceptor of occupational therapy students. The incumbent must have and demonstrate excellent organization, planning, communication and interpersonal skills; an ability to manage multiple tasks in a fast-paced environment; an ability to work effectively in team settings; an understanding of the educational experiences of occupational therapy students; and an understanding of the clinical practice of occupational therapists in diverse working environments.

Responsibilities will include coordination, management, monitoring, and evaluation of the occupational therapy students’ clinical education experiences throughout the curriculum; establishing and maintaining affiliations with clinical education sites; acting as a liaison between the Occupational Therapy program and affiliated clinical facilities while supporting preceptors through workshops and mentoring; clinical education program planning and teaching clinical education-related courses; coordination with academic faculty in the School of Rehabilitation Therapy; and representing the School of Rehabilitation Therapy, Occupational Therapy Program at the provincial and national level. For more information about the responsibilities of this position please contact Dr. Setareh Ghahari, Associate Director (Occupational Therapy Program) at setareh.ghahari@queensu.ca.

The course descriptions follows:

**OT 846 (CR 8)  Occupational Therapy Fieldwork I**

This fieldwork course, completed continuously and offered in a practice setting, will allow the student to focus on generic assessment skills, developing communication skills and application of OT knowledge to the practice setting.

**OT 847 (CR 8)  Occupational Therapy Fieldwork II**

This fieldwork course, completed continuously and offered in a practice setting, will allow students increased independence in working with clients including assessment, intervention and application of OT knowledge. (8.0 credit units)

**OT 877 (CR 8)  Occupational Therapy Fieldwork III**

This fieldwork course, completed continuously and offered in a practice setting, will allow students to consolidate OT knowledge and skills. The focus of this final fieldwork placement is for the student to maximize independence in the areas of assessment, intervention, programming and evaluation.
