

Visiting Scholar Presentation:

Engagement, Coaching and Enabling Greater Participation

Dr. Fiona Graham, PhD

Senior Lecturer

Rehabilitation Teaching and Research Unit

Department of Medicine

University of Otago, New Zealand

Dr Fiona Graham specialises in work with families and children. Her PhD with the University of Queensland has examined the effectiveness of coaching parents of children with disabilities to enhance children's success in everyday life. Current research interests include working with families and caregivers, therapists' uptake of evidence-based practice, undergraduate clinical training and the efficacy of participation-focused interventions.
