CBI has an exciting opportunity in New Liskeard, ON for a Physiotherapist, including new grads, who is ready to make a big move in their career. This opportunity not only offers great mentorship, training, and development, but offers someone with the exclusive ability to fast-track their career with access to both courses and certifications that will enhance any clinician’s skills and knowledge.

New Liskeard, now referred to as the City of Temiskaming Shores (an amalgamation of the Town of Haileybury, New Liskeard and the Township of Dymond), one of the most picturesque and attractive communities in Northern Ontario. Situated at the north end of beautiful Lake Temiskaming, the area boasts affordable living, fresh air, natural features, as well as ideal boating, hiking, skiing, snowmobiling, golfing and numerous other recreational amenities, all of which make New Liskeard an exceptional place to both live and work.

A vibrant northern Ontario community, New Liskeard is home to a wealth of cultural assets and workers, and a regional destination for recreation and major events. A strong sense of responsibility and pride has led local residents to develop a robust volunteer sector, which has helped to build a robust cultural sector in the city and its surrounding areas. This provides residents with a high quality of life and is an attractive element in drawing new members to the community.

A bit about you...

Whether you’ve got a couple years of experience under your belt or you are a new grad about to start your exciting new career as a Physiotherapist, you are a clinician who is passionate about helping your clients reach their health goals, have a client-focused approach to how you work, know the benefits of working within a strong and collaborative team, and you have a desire to be mentored and developed to help achieve your professional goals. If the idea of taking on new and exciting opportunities that will not only challenge you professionally but that can also offer you an accelerated career trajectory, this is the place for you!

- Opportunity to collaborate with an outstanding team of clinical experts regionally, provincially, and nationally

A bit about us...
CBI Health Group is Canada’s largest community healthcare provider. From the outset, CBI Health Group has challenged the status quo and believed that there was a more effective way of solving and managing the complex problems we face in patient health. From its beginnings as patient education seminars - to what it is today - a national interdisciplinary network of health care and support professionals over
12,000 strong - CBI Health Group has innovated for impact: improved patient access and empowerment, better health care outcomes, integrated best practices-driven models of care and community relevance. We are focused on a united purpose: to improve the health and enrich the lives of Canadians.
